### **STATEMENT BY MANAGEMENT COMMITTEE**

For the financial year ended 31 March 2022

---

In the opinion of the Management Committee, the accompanying audited financial statements of Adventist Nursing and Rehabilitation Centre ("the Society") set out on pages 6 to 28 are drawn up in accordance with the Societies Act, Chapter 311 (the "Societies Act"), the Charities Act, Chapter 37 and other relevant regulations (the "Charities Act and Regulations") and Charities Accounting Standard in Singapore ("CAS"), so as to present fairly, in all material respects, the state of affairs of the Society as at 31 March 2022, and the results, changes in funds and cash flows of the Society for the year then ended.

At the date of this statement, there are reasonable grounds to believe that the Society will be able to pay its debts as and when they fall due.

The Management Committee, comprising the following, authorised the issue of these financial statements on 24 August 2022.

President	Pearlyn Ng Ai Siong
Honorary Secretary	Juanita Ratnawati Sentana

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
ADVENTIST NURSING AND REHABILITATION CENTRE**

To the Members of Adventist Nursing and Rehabilitation Centre

**Report on the Audit of the Financial Statements**

*Opinion*

We have audited the financial statements of Adventist Nursing and Rehabilitation Centre (the "Society"), which comprise the statement of financial position as at 31 March 2022, the statement of financial activities, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 6 to 28.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act, Chapter 311 (the "Societies Act"), the Charities Act, Chapter 37 and other relevant regulations (collectively, the "Charities Act and Regulations") and Charities Accounting Standard in Singapore ("CAS") so as to present fairly, in all material respects, the state of affairs of the Society as at 31 March 2022 and the results, changes in funds and cash flows of the Society for the year ended on that date.

*Basis for Opinion*

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Other Information*

Management is responsible for the other information. The other information comprises the Statement by Management Committee, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ADVENTIST NURSING AND REHABILITATION CENTRE (CONT'D)

### Report on the Audit of the Financial Statements (Cont'd)

#### *Responsibilities of Management and Those Charge with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Societies Act, Charities Act and Regulations and CAS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charge with governance are responsible for overseeing the Society's financial reporting process.

#### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

**INDEPENDENT AUDITOR'S REPORT TO THE MANAGEMENT COMMITTEE OF  
ADVENTIST NURSING AND REHABILITATION CENTRE (CONT'D)**

**Report on the Audit of the Financial Statements (Cont'd)**

*Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)*

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charge with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**

In our opinion, the accounting and other records required to be kept by the Society have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act, the Charities Act and Regulations.

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:

- a) The Society has not used the donation moneys in accordance with its objective as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- b) The Society has not complied with the requirement of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 MARCH 2022

---

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

#### 1. General information

Adventist Nursing and Rehabilitation Centre (“the Society”) is registered and domiciled in Singapore. The address of its registered address is located at Block 6, Marsiling Drive, #01-96, Singapore 730006.

The Society was registered on 11 February 1997 under the Societies Act (Chapter 311) and was also registered under the Charities Act (Chapter 37) on 31 August 1999. It has been accorded an Institution of Public Character (“IPC”) status for the period from 20 July 2021 to 19 July 2024.

The principal activities of the Society are to conduct activities with the following objectives:

- To provide shelter / care to the aged, destitute, ambulant / non-ambulant sick regardless of race, language or religion;
- To provide day care facilities for rehabilitation of patients who are incapacitated by disease;
- To provide welfare and other related programs for elderly / sick; and
- To provide and coordinate nursing, rehabilitation and health programs for advancement of wellness and health reform among patients, relatives and the public.

#### 2. Significant accounting policies

##### 2.1 Basis of preparation

The financial statements have been prepared in accordance with Charities Accounting Standard (“CAS”) and the disclosure requirements of the Societies Act (Chapter 311) and Charities Act (Chapter 37). The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies below.

These financial statements are presented in Singapore Dollar (“S\$”), which is the Society’s functional currency.

The preparation of the financial statements in conformity with CAS requires management to exercise its judgement in the process of applying the Society’s accounting policies. It also requires the use of certain critical accounting estimates and assumptions.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 3.

## 2. Significant accounting policies (Cont'd)

### 2.2 Income recognition

Income comprises the fair value of the consideration received or receivable in the ordinary course of the Society's activities, including donations, gifts and grants that provide core funding or are of general nature. Income is recognised where there is (a) entitlement, (b) certainty and (c) sufficient reliability of measurement. Income is recognised as follows:

(a) Donations

Income from donations is accounted for when received, except for committed donations that are recorded when the commitments are signed. Such income is only deferred when the donor specifies that the donation must be used in future accounting periods or the donor has imposed conditions that must be met before the Society has unconditional entitlement.

(b) Government grant

Government grants are recognised at their fair value where there is reasonable assurance that the grants will be received and all related conditions will be complied with.

(c) Fundraising income

Fund raising income is recognised in the period in which the event takes place.

(d) Rendering of services

Income from the rendering of services is recognised when services have been performed and/or rendered. The income amount from services is the fair value of the consideration received or receivable from the gross inflow of economic benefits during the period arising from the course of the ordinary activities of the Society and it is shown net of related goods and services tax and subsidies.

(e) Interest income

Interest income is recognised on a time-proportion basis using the effective interest method.

(f) Other income

Other income is recognised when earned.

### 2.3 Expenditure recognition

All expenditure is accounted for on an accrual basis and aggregated under the respective areas. Direct costs are attributed to the activity where it relates to. Where costs are not wholly attributable to an activity, they are apportioned on a basis consistent with the use of resources.

#### 2. Significant accounting policies (Cont'd)

##### 2.3 Expenditure recognition (Cont'd)

(a) Cost of generating funds from fundraising activities

Costs that are directly attributable to the fundraising activities are separated from those costs incurred in undertaking charitable activities.

(b) Cost of charitable activities

Cost of charitable activities comprises all costs incurred in the pursuit of the charitable objects of the Society. The total costs of charitable expenditure are apportionment of overhead and shared costs.

(c) Governance and administrative costs

Governance costs include the cost of governance arrangement, which relates to the general running of the Society, providing governance infrastructure and ensuring public accountability. These costs include costs related to constitutional and statutory requirements and an apportionment of overhead and shared costs.

##### 2.4 Plant and equipment

All plant and equipment are carried at cost on initial recognition and after initial recognition at cost less any accumulated depreciation and any accumulated impairment losses. The gain or loss arising from the derecognition of an item of plant and equipment is measured as the difference between the net disposal proceeds, if any, and the carrying amount of the item and is recognised in profit or loss. The residual value and the useful life of an asset is reviewed at least at each end of the financial year end and, if expectations differ significantly from previous estimates, the changes are accounted for as a change in an accounting estimate, and the depreciation charge for the current and future periods are adjusted.

Cost also includes acquisition cost, borrowing cost capitalised and any cost directly attributable to bringing the asset or component to the location and condition necessary for it to be capable of operating in the manner intended by management. Subsequent costs are recognised as an asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss when they are incurred.

Depreciation is provided on a straight-line basis to allocate the gross carrying amounts of the assets less their residual values over their estimated useful lives of each part of an item of these assets. The useful lives of the assets are as follows:

Computers	3 years
Furniture and equipment	5 years
Rehabilitation equipment	5 years
Motor vehicles	5 years
Renovation	5 to 8 years
Centre construction cost	35 years

#### 2. Significant accounting policies (Cont'd)

##### 2.4 Plant and equipment (Cont'd)

The residual values, estimated useful lives and depreciation method of plant and equipment are reviewed, and adjusted as appropriate, at each financial year end. The effects of any revision are recognised in the statement of financial activities which the changes arise.

An asset is depreciated when it is available for use until it is derecognised even if during that period the item is idle. Fully depreciated assets still in use are retained in the financial statements.

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in profit or loss in the year the asset is derecognised.

##### 2.5 Financial instrument

###### (a) Financial assets

Financial assets are recognised in the statement of financial position when, and only when, the Society becomes a party to the contractual provisions of the financial instrument.

###### *Initial recognition and measurement*

Financial assets, excluding prepayment, are initially recognised at their transaction price, excluding transaction costs, if any. Transaction costs shall be recognised as expenditure in the statement of financial activities as incurred. Prepayments are initially recognised at the amount paid in advance for the economic resources expected to be received in the future.

###### *Subsequent measurement*

The financial assets are subsequently measured at cost less accumulated impairment losses.

###### *Derecognition*

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

###### (b) Financial liabilities

###### *Initial recognition and measurement*

Financial liabilities are recognised in the statement of financial position when, and only when, the Society becomes a party to the contractual provisions of the financial instrument. The Society determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at their transaction price, excluding transaction costs, if any, both at initial recognition and at subsequent measurement. Transaction costs shall be recognised as expenditure in the statement of financial activities as incurred. The Society's financial liabilities comprise other payables.

###### (b) Financial liabilities (Cont'd)

###### *Subsequent measurement*

The financial liabilities are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

###### *Derecognition*

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the profit or loss.

##### 2.6 Impairment of financial assets

The Society assesses at the end of each reporting period whether there is any objective evidence that a financial asset or group of financial assets is impaired.

The Society first assesses individually whether objective evidence of impairment exists for financial assets that are individually significant, or collectively, for financial assets that are not individually significant. If the Society determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

When the asset becomes uncollectible, the carrying amount of impaired financial assets is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 MARCH 2022

---

#### **2. Significant accounting policies (Cont'd)**

##### **2.6 Impairment of financial assets (Cont'd)**

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Society considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

##### **2.7 Cash and cash equivalents**

Cash and cash equivalents include cash at bank and on hand, and fixed deposits which are subject to an insignificant risk of changes in value.

##### **2.8 Provisions**

Provisions are recognised when the Society has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic resources will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

##### **2.9 Leases**

Leases of assets in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are taken to the statement of financial activities on a straight-line basis over the period of the lease. When an operating lease is terminated before the lease period has expired, any payment required to be made to the lessor by way of penalty is recognised as an expense in the period in which termination takes place.

Rental on operating lease is charged to statement of financial activities. Contingent rents are recognised as an expense in the statement of financial activities in the financial year in which they are incurred.

## 2. Significant accounting policies (Cont'd)

### 2.10 Employee compensation

(a) Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Society pays fixed contributions into separate entities such as the Central Provident Fund ("CPF"), on a mandatory, contractual or voluntary basis. The Society has no further payment obligations once the contribution has been paid. The Society's contribution to defined contribution plans are recognised as employee compensation expense when they are due.

(b) Employee leave entitlement

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the financial year end.

### 2.11 Funds

Fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purpose, if any, by action of the Management Committee. Externally restricted funds may only be utilised in accordance with the purposes for which they are established. The Management Committee retains full control over the use of unrestricted funds for any of the Society's purposes.

### 2.12 Related parties

A related party is defined as follows:

(a) A person or a close member of that person's family is related to the Society if that person:

- (i) Has control or joint control over the Society;
- (ii) Has significant influence over the Society; or
- (iii) Is a member of the key management personnel of the Society or of a parent of the Society;

(b) An entity is related to the Society if any of the following conditions applies:

- (i) The entity and the Society are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
- (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
- (iii) Both entities are joint ventures of the same third party;
- (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity;
- (v) The entity is a post-employment benefit plan for the benefit of employees of either the Society or an entity related to the Society. If the Society is itself such a plan, the sponsoring employers are also related to the Society;
- (vi) The entity is controlled or jointly controlled by a person identified in (a); or
- (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 MARCH 2022**

---

#### **3. Critical accounting estimates and key sources of estimation uncertainty**

The preparation of the Society's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in future periods.

##### **3.1 Judgements made in applying accounting policies**

In the process of applying the Society's accounting policies, the Society has not made significant judgements, apart from those involving estimations.

##### **3.2 Key sources of estimation uncertainty**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

###### *Useful lives of plant and equipment*

The Society reviews annually the estimated useful lives of plant and equipment based on factors such as operating plans and strategies, expected level of usage and future technological developments. It is possible that future results of operations could be materially affected by changes in these estimates brought about by changes in the factors mentioned.

The carrying amount of the Society's plant and equipment at the end of the reporting date is disclosed in Note 11 to the financial statements.

#### **4. Income tax**

The Society is registered as a charity under the Charities Act, Chapter 37. With effect from YA2008, all registered charities are not required to file income tax returns and will enjoy automatic income tax exemption under Section 13(1)(zm) of the Income Tax Act. As such, no provision for taxation needs to be made in the Society's financial statements.
